

ERFS

Meadow Quality is keen to help you to procure many of your farm consumables at the best value. We have opted to work with just one service provider going forward, namely East Riding Farm Services (ERFS).

ERFS have consistently demonstrated that they are able to provide you with great products at fantastic prices, backed up by an enthusiastic and knowledgeable sales team.

The system is very easy: simply obtain a quote from ERFS for the product you require. If you are happy, place the order with them and the product will be delivered to your farm.

When you telephone ERFS, you must state that you are a Meadow Quality producer before ordering your products. The monthly invoice will be sent to Meadow Quality Limited and deducted from your livestock payments, with a copy sent to you for VAT purposes. Or you may pay your account using a debit or credit card via the telephone on 01789 734 136 or 137. (Debit card is free, credit card 2% fee applies).

Delivery is free when the ERFS delivery van is in your area. At all other times, your products will be despatched by courier directly to your nominated address.

Contact ERFS direct for more details:

Dave Smith on 07802 397103

John Laws on 07802 397104

ERFS Office on 01377 249249
